

February 4, 1936.

Mr. J. H. Ward,
Willard, Utah.

Dear Sir:

RE: WILL. DAM DIST.

I have your letter of February 2 with reference to the balance due you as water commissioner and am enclosing check for \$20 on account. This is practically all the money available but I am also enclosing list of delinquents and suggest that you endeavor to have them pay up. It will not be very long before the irrigating season opens up and the threat of not being allowed water while delinquent may make them pay up.

Yours very truly,

State Engineer.
